## Job Description

glancy nicholls  
a r c h i t e c t s

**JOB TITLE:** Architectural Technician

**LOCATION:** Birmingham

-

Glancy Nicholls Architects are seeking to employ an experienced Architectural Technician to work in our Birmingham office.

The successful candidate will have previous experience of running projects and co-ordinating design teams.

It is anticipated that the successful candidate will demonstrate the ability to work autonomously, reporting directly to their Associate and the Directors.

A sound technical knowledge together with a full understanding of Revit and the RIBA stages post contract is essential.

Further progression within the management structure is not restrictive for the correct calibre of person.

Salary by negotiation.
